This girl-likes-ghoul rock-and-roll musical is set in the 1950s at Enrico Fermi High, where the law is set by a zany, tyrannical principal. Pretty senior Toffee has fallen for the class bad boy. Family pressure forces her to end the romance, and he charges off on his motorcycle to the nuclear waste dump. He returns glowing and determined to reclaim Toffee's heart. A tuneful selection of original 50s style songs keeps the action rocking across the stage.
